My dear Mr. Dulles:

Reference is made to my letters of 31 May 1956 and 13 August 1956, regarding our three months course, A-200, for Mid-Career officers in the Foreign Service.

We are now able to repeat our offer of an opening for one officer of your organization, for the same course, which is now scheduled to start on 14 January 1957.

As I advised you previously, the Institute will make no request for reimbursement for this training since, if you nominate an officer, your nominee can be accommodated without extra expense. However, there are certain costs covering per diem and travel during the three weeks' segment conducted at Front Royal, Virginia, that we expect each organization to meet in connection with its own appointee.

If you wish to nominate one of your officers for enrollment in this course, I shall appreciate your advising the Registrar of FSI by 15 December 1956. Please include with his name and rank a brief statement of his educational background and experience with your organization.

An outline of the A-200 Mid-Career course is enclosed.

Sincerely yours,

Harold B. Hoskins
Director
Foreign Service Institute
